Addendum to
IWG/AM-4
and Case #22

4 November 1952

Subj: Merchant Vessels under Construction in Western Yards for
the Soviet Account of 30 September 1952

1. According to Lloyd's Register Returns 36 merchant ships totalling 65,731 gross tons are under construction for the Soviet Union in non-Communist yards as of 30 September 1952. Of these eight vessels of 17,040 gross tons are tankers.

2. Breakdown of Soviet vessels under construction in Western yards is presented as follows:

a. Total number of vessels under construction:

	<u>Number</u>	<u>Gross Tons</u>
Denmark	5	15,550
Finland	18	22,561
Netherlands	7	22,220
Sweden	6	5,400
	<u>—</u>	<u>—</u>
Total	36	65,731

b. Breakdown of tankers under construction for the USSR
(included in paragraph 2.a.):

	<u>Number</u>	<u>Gross Tons</u>
Denmark	1	8,840
Finland	5	6,000
Sweden	2	2,200
	<u>—</u>	<u>—</u>
Total	8	17,040

3. This list does not include vessels on order for construction in Western yards for Soviet account.
